Manufacturer's plate from a water pump on the German U-boat, *U 39*. The *U 39* was of the *U 31* submarine type. It was laid down in 1913 and launched on September 26, 1914. The plate designated the manufacturer as Atlas-Werke, a share company, in Bremen, Germany. The boats' captains in 1917 were Walter Forstmann and Heinrich Metzger. That year, along with a number of Allied ships, the *U39* sank two American merchant ships, the *Petrolite* (June 10) and the *Schuykill* (November 21).

Postcard Photograph of the USS Venetia in San Diego, California
